

Center for Medicare

DATE: January 2025
TO: A4749 - ACMG Health Systems, Inc.
FROM: Medicare Shared Savings Program
SUBJECT: Public Reporting of Performance Year 2025 Primary Care Flex Spend Plan

This document contains the Spend Plan for the ACO Primary Care (PC) Flex Model Performance Year 2025 prepared by ACMG Health Systems, Inc. (A4749). PC Flex ACOs are required to publicly publish their Spend Plans, to ensure additional accountability and transparency in how they are spending the Advance Shared Savings Payment and Prospective Primary Care (PPC) Payment to support the provision of primary care. These spend plans are approximate and non-binding and may differ from actual expenditures.

This communication material was prepared as a service to the public and is not intended to grant rights or impose obligations. It may contain references or links to statutes, regulations, or other policy materials. The information provided is only intended to be a general summary. It is not intended to take the place of either the written law or regulations. We encourage readers to review the specific statutes, regulations, and other interpretive materials for a full and accurate statement of its contents.
